This is an HD Touch Screen Monitor with a Curved Touch Screen Monitor and Capacitive Touch Monitor features.

Applications:

Our Gaming PCAP Touch Screen with Side+Edge LED Bezel is the perfect addition to any gaming setup, providing a responsive and intuitive touch interface that is perfect for gaming. With a projected capacitive touch technology, our touch screen is highly accurate and responsive, making it ideal for fast-paced games where precision is key.

In addition to its touch screen capabilities, our Gaming PCAP Touch Screen also features a curved design that is perfect for gaming. The curved design provides a more immersive gaming experience, allowing you to fully immerse yourself in your favorite games and enjoy a more realistic gaming environment.

Our Gaming PCAP Touch Screen is also incredibly durable, with a scratch-resistant surface that is designed to withstand even the toughest gaming sessions. This means that you can enjoy your games without worrying about damaging your touch screen, making it the perfect addition to any gaming setup.

With adjustable brightness settings, our Gaming PCAP Touch Screen is also incredibly versatile, allowing you to adjust the brightness to suit your needs and preferences. This makes it ideal for use in a variety of different lighting conditions, ensuring that you always have the best possible gaming experience.

Our Gaming PCAP Touch Screen is also fully certified, with CE, FCC, and RoHS certifications that ensure that it meets all of the necessary safety and quality standards. And with mounting options that include both VESA mount and panel mount options, our touch screen is incredibly versatile and can be easily integrated into any gaming setup.

So if you're looking for a high-quality gaming PCAP touch screen with an edge LED bezel, look no further than Anwell. With a minimum order quantity of just two, our touch screens are the perfect addition to any gaming setup, providing a responsive, immersive, and durable touch screen that is perfect for gaming LED monitors.
