Product Description

Product Description:

The monitor can be mounted in two ways - VESA Mount or Panel Mount, providing flexibility in installation. The monitor is also certified by CE, FCC, and RoHS, ensuring that it meets all safety and environmental standards.

The brightness of the monitor is adjustable, allowing for comfortable viewing in any lighting condition. The vertical touch screen monitor is perfect for gaming, as it provides an immersive gaming experience.

The Gaming PCAP Touch Screen Side+Edge LED Bezel is also known as the Firelink monitor, a popular choice among gamers. Its touch screen feature allows for easy navigation and control, making it suitable for both gaming and non-gaming applications.

In summary, the Gaming PCAP Touch Screen Side+Edge LED Bezel is a versatile monitor that offers excellent features. Its Full HD Touchscreen display, adjustable brightness, and vertical touch screen make it ideal for gamers. Additionally, its certifications ensure that it meets all safety and environmental standards. The VESA Mount or Panel Mount options allow for easy installation, making it suitable for various applications.
