## Product Description

### Product Description:

With an adjustable brightness feature, you can customize the display to suit your preferences. This ensures that you can enjoy your favorite games without straining your eyes, even during extended gaming sessions. With a response time of just 5ms, this monitor delivers smooth and seamless visuals that eliminate motion blur and ghosting, allowing you to stay ahead of the competition. For added convenience, this monitor comes with versatile mounting options that can easily accommodate your preferred setup. Whether you prefer a VESA mount or panel mount, this monitor can be easily set up to suit your needs. Additionally, its durable scratch-resistant surface ensures that you don't have to worry about accidental scratches or damage. This PC gaming monitor is perfect for gamers who want to take their gaming experience to the next level. Whether you're an avid gamer or a casual player, this capacitive touch screen monitor will provide you with hours of gaming fun and entertainment. Get ready to be immersed in a world of intense gaming action with this top-of-the-line gaming monitor.

### Applications:

The Anwell Gaming PCAP Touch Screen Side+Edge LED Bezel is the perfect addition to any gaming setup, providing a 27" capacitive touch monitor with a scratch-resistant surface. The screen is designed with a side+edge LED bezel, providing gamers with an immersive and visually stunning experience.

One of the main advantages of this gaming monitor is its versatility. It can be mounted either with a VESA mount or panel mount, allowing for a customizable and optimal setup. The monitor also comes with certifications from CE, FCC, and RoHS, ensuring that it meets strict environmental and safety standards.

With the Anwell Gaming PCAP Touch Screen Side+Edge LED Bezel, gamers can experience a new level of interactivity and precision. The monitor's capacitive touch technology ensures accurate and responsive touch controls, making it an excellent choice for gamers who demand the best.

Whether you're playing fast-paced action games or engaging in some leisurely gaming, the Anwell Gaming PCAP Touch Screen Side+Edge LED Bezel will provide you with the stunning visuals and responsive touch controls you need to stay ahead of the competition. So, if you're in the market for a high-quality gaming LED monitor, look no further than the Anwell Gaming PCAP Touch Screen Side+Edge LED Bezel. With a minimum order quantity of just 2, you can experience the ultimate gaming experience without breaking the bank.
