Product Description

Product Description:

The scratch-resistant surface ensures that your monitor will remain in pristine condition, even after long hours of gaming. You can adjust the brightness of the screen to your liking, ensuring that you have the perfect level of brightness for your gaming environment. With certifications from CE, FCC, and RoHS, you can be sure that this monitor meets the highest safety and environmental standards.
This monitor is not only great for gaming, but also for productivity. With a large screen size, you can easily work on multiple documents or applications at once. The adjustable brightness feature also makes it easy to work in any lighting condition.
The Gaming PCAP Touch Screen Side+Edge LED Bezel is also versatile in terms of mounting options. You can choose to mount it using a VESA mount or panel mount, depending on your preference. This makes it easy to integrate into any workspace or gaming setup.
In conclusion, the Gaming PCAP Touch Screen Side+Edge LED Bezel is the perfect monitor for gamers and professionals alike. With its 4k touch screen display, capacitive touch screen technology, and adjustable brightness, you can enjoy an unparalleled gaming and work experience. Its durability, certifications, and mounting options make it a reliable and versatile addition to any setup. Whether you're a gamer or a professional, this monitor is a must-have.

Features:

Product Name: Gaming PCAP Touch Screen Side+Edge LED Bezel

Mounting Options: VESA Mount Or Panel Mount

Design: Side+Edge LED Bezel

Touch Technology: Projected Capacitive

Certifications: CE, FCC, RoHS

Type: Touch Screen

This Gaming PCAP Touch Screen Side+Edge LED Bezel is compatible with the Firelink/Fusion series 4k monitor and can be mounted via VESA mount or panel mount. It features a Projected Capacitive touch technology and is certified with CE, FCC, and RoHS. This touch screen is perfect for use with a slot 4k Touch Screen PC or 4k Touch Screen Monitor.

Technical Parameters:

Certifications	CE, FCC, RoHS
