## Product Description

### Product Description:

But that's not all - this touch screen monitor is also scratch-resistant, ensuring durability and longevity even with regular use. The Side+Edge LED Bezel design adds a sleek and modern touch to any gaming setup, while also providing ample space for displaying game graphics and animations.

When it comes to mounting options, the Gaming PCAP Touch Screen Side+Edge LED Bezel offers both VESA mount and panel mount options for added flexibility and convenience. This means that you can easily mount the display on a wall or any other flat surface, or integrate it into a custom gaming cabinet or machine.

And for even more convenience, the touch screen monitor also comes with USB TOUCH connectivity, allowing for easy plug-and-play setup with any compatible device. Whether you're a gaming enthusiast or a professional in the gaming industry, the Gaming PCAP Touch Screen Side+Edge LED Bezel is the ultimate solution for an immersive and seamless gaming experience.

### Applications:

The AW220CS-G801 features a 23" screen size and a touch screen design that is perfect for a range of gaming applications. The touch screen is highly responsive, making it easy for gamers to interact with the game and enjoy an immersive experience.

The product is also equipped with Side+Edge LED Bezel, which provides a stylish and modern look. The LED bezel is ideal for use in gaming arcades, casinos and other gaming venues where style and aesthetics are important.

The AW220CS-G801 is also highly durable, with a scratch-resistant surface that can withstand heavy use and abuse. This makes it ideal for use in high-traffic areas where the screen may be subjected to impact and damage.

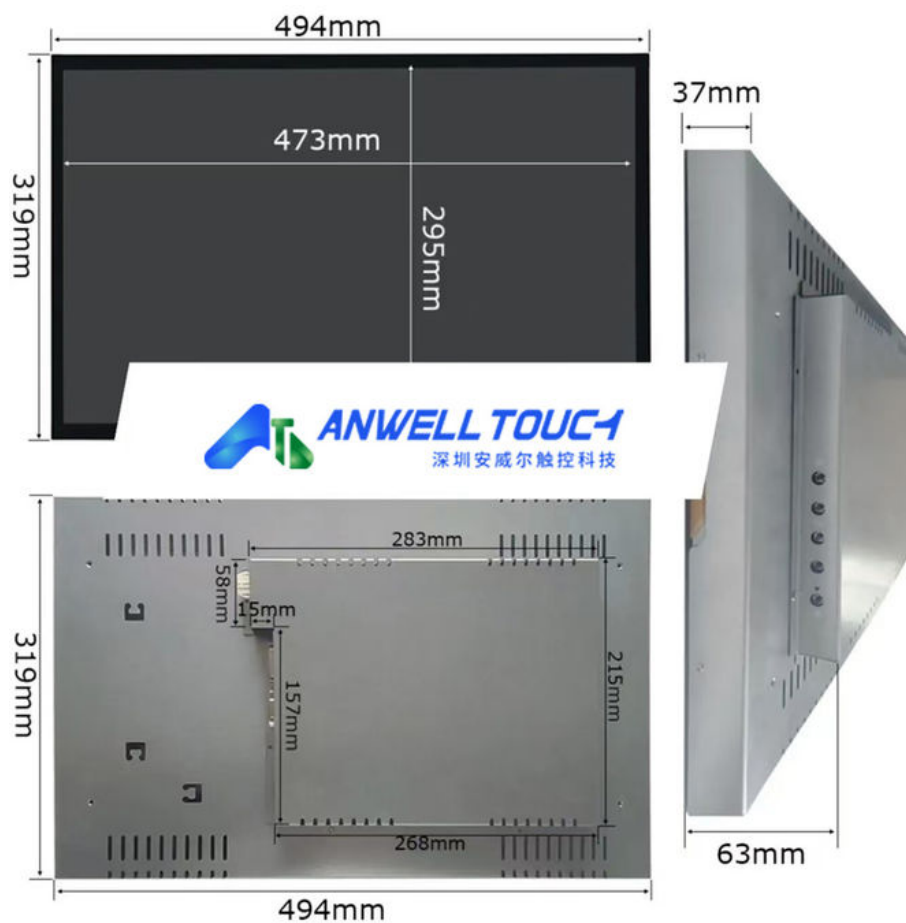

The touch screen also has a wide operating temperature range, from 0°C to 50°C, making it suitable for use in a variety of environments.

Certified with CE, Anwell's AW220CS-G801 Gaming PCAP Touch Screen with Side+Edge LED Bezel is a reliable and high-quality product that is perfect for use in a variety of gaming applications.

The minimum order quantity for this product is 2, making it an ideal choice for arcade owners and other businesses that require multiple screens.

This touch screen is also compatible with Aristocrat Helix, a popular gaming platform. The USB TOUCH feature allows for easy connection to the Aristocrat Helix game, making it a perfect choice for businesses that use this platform.

In summary, the AW220CS-G801 Gaming PCAP Touch Screen with Side+Edge LED Bezel is a high-quality, reliable, and durable product that is perfect for a range of gaming applications. Its compatibility with Aristocrat Helix, USB TOUCH feature, and scratch-resistant surface make it an ideal choice for businesses that require high-quality gaming screens.
