

Industrial LCD Touch Screen Monitor Serial Interface and 5ms Response Time for B2B Marke

Our Product Introduction

for more products please visit us on anwelltouch.com

Basic Information

- Place of Origin: China
- Brand Name: Anwell Touch
- Certification: CE,RoHS,FCC
- Model Number: AW190CS-I001
- Minimum Order Quantity: 2 Pieces
- Price: Negotiable
- Packaging Details: Standard carton box
- Delivery Time: 15 working days
- Payment Terms: TT
- Supply Ability: 5000 pieces per Month

Product Specification

- Aspect Ratio: 4:3
- Plug Types: AU,EU,US,UK
- Signal Input: VGA/DVI/HD-MI
- Touch Signal Input: RS232 / USB
- Response Time: 5ms
- Contrast Ratio: 1000:1
- Warranty: 1 Year
- Touch Technology: 10 Points Multi-Touch Capacitive Touch Screen
- Highlight: industrial LCD touch screen monitor,
touch monitor with serial interface,
5ms response time touch monitor

Product Description

Product Description:

The Industrial Touch Monitor is a reliable and versatile product designed to meet the needs of various industries. With a wide viewing angle of 85/85/80/80 (Typ.)(CR≥10), this Commercial Touch Screen Monitor ensures clear visibility from different perspectives, making it suitable for diverse applications.

Equipped with support for both embedded rack mounted and VESA wall mounted installations, this Industrial Touch Screen Panel PC offers flexibility in deployment options, catering to different workplace environments and requirements. Whether you prefer a fixed setup or a more flexible mounting solution, this monitor can seamlessly integrate into your workspace.

For seamless touch interaction, the Industrial Touch Monitor supports touch signal input via RS232 or USB connections. This feature enhances the user experience by enabling easy and intuitive navigation through the interface, making it ideal for interactive applications in industrial settings.

With its Capacitive Touch technology, this Industrial Touch Screen Panel PC delivers precise and responsive touch control, allowing users to interact with the screen effortlessly. The capacitive touch sensors ensure accurate input recognition, making it suitable for demanding industrial environments where efficiency and reliability are crucial.

As a part of the Product Category: Industrial Touch Monitor, this monitor is specifically designed to meet the rigorous demands of industrial applications. Its durable construction and robust design ensure long-term performance and reliability, making it a trusted solution for industrial environments.

Whether you are looking for a reliable Commercial Touch Screen Monitor, an advanced Infrared Touch Screen Monitor, or a versatile Industrial Touch Screen Panel PC, this Industrial Touch Monitor offers the features and capabilities to enhance your operational efficiency and productivity.

Features:

Product Name: Industrial Touch Monitor

Product Category: Industrial Touch Monitor

Touch Technology: 10 Points Multi-Touch Capacitive Touch Screen

Support: Embedded rack mounted / VESA wall mounted

Touch Signal Input: RS232 / USB

Colors: 16.7M

Technical Parameters:

Touch Technology	10 Points Multi-Touch Capacitive Touch Screen
Brightness	300cd/m2
Viewing Angle	85/85/80/80 (Typ.)(CR≥10)
Contrast Ratio	1000:1
Resolution	1280 X 1024
Plug Types	AU,EU,US,UK
Touch Signal Input	RS232 / USB
Product Name	Embedded Industrial Touch Monitor PCAP 19 Inch Buckle With HD-MI VGA USB Interface LCD Display 1280*1024
Type	Capacitive Touch
Warranty	1 Year

Applications:

Anwell Touch Industrial LCD Touch Screen Monitor AW190CS-I001 is a versatile and reliable product that can be used in a variety of industrial settings. With certifications such as CE, RoHS, and FCC, you can trust the quality and safety of this touch monitor. Originating from China, this product has a minimum order quantity of 2 pieces and a negotiable price, making it accessible for different business needs.

With a supply ability of 5000 pieces per month and a quick delivery time of 15 working days, you can rely on Anwell Touch to meet your demands promptly. The packaging details come in a standard carton box for secure transportation.

This Industrial Touch Monitor features a 10 Points Multi-Touch Capacitive Touch Screen, providing a user-friendly interface for various applications. The interface types include VGA, Serial, and USB, offering flexibility in connectivity. Additionally, the plug types available are AU, EU, US, UK, ensuring compatibility in different regions.

One of the standout features of this monitor is its IP65 rating, making it suitable for use in harsh industrial environments where dust and water resistance is essential. The product category of Industrial Touch Monitor highlights its robust build and functionality tailored for industrial use.

When it comes to warranty and payment terms, Anwell Touch offers a 1-year warranty and accepts payment via TT. Whether you need a

reliable touch monitor for manufacturing, automation, or other industrial applications, the Anwell Touch Industrial LCD Touch Screen Monitor AW190CS-I001 is a dependable choice.

Support and Services:

The Industrial Touch Monitor product comes with comprehensive Product Technical Support and Services to assist customers with any issues they may encounter. Our dedicated team of experts is available to provide troubleshooting assistance, guidance on installation and setup, and answer any technical questions you may have.

Our services also include product maintenance and repair options to ensure that your Industrial Touch Monitor continues to perform optimally. We are committed to delivering exceptional support to our customers to guarantee a seamless user experience.

Packing and Shipping:

Product Packaging for Industrial Touch Monitor:

The industrial touch monitor is carefully packaged in a sturdy cardboard box to ensure safe transportation. It is surrounded by protective foam padding to prevent any damage during shipping. The monitor is securely sealed in the box to avoid any movement or shifting during transit.

Shipping Information:

Once your order is processed, the industrial touch monitor will be shipped via a reliable courier service. You will receive a tracking number to monitor the shipment status. Please ensure someone is available to receive and sign for the package upon delivery to avoid any delays.

FAQ:

Q: What is the brand name of the Industrial Touch Monitor?

A: The brand name of the Industrial Touch Monitor is Anwell Touch.
